

Fiserv to Provide Acquiring Services for New Citi Payments Gateway in Brazil

October 14, 2021

Fiserv will enable Citi e-commerce clients to accept card payments through the bank's new global payments gateway

BROOKFIELD, Wis., October 14, 2021 – [Fiserv, Inc.](#) (NASDAQ: FISV), a leading global provider of payments and financial services technology, announced today an agreement with Citi to offer acquiring services in Brazil through the bank's global payments gateway, [Spring by Citi](#). With this relationship, the bank, which already offered payment and collection services in the country, now has a more complete portfolio focused on e-commerce.

"We are celebrating a strategic partnership, offering state-of-the-art technology to Citi clients, both Brazilian and multinational. Fiserv has a diversity of clients and business models that generated credibility and trust for this partnership," said Jorge Valdivia, senior vice president of Product Management for Fiserv in Latin America.

"Spring by Citi was developed to offer our e-commerce clients a reliable, complete and secure global payment solution. For that reason, it is very important for the operation to have a partner like Fiserv for acquiring," said Fernando Granziera, head of Treasury & Trade solutions at Citi.

Other Fiserv Partnerships

In Brazil, Fiserv has white-label acquiring partnerships with Sipag, Sicred and Afinz, as well as an exclusive 20-year contract with Caixa Cartões, a subsidiary of CAIXA, to offer acquiring solutions and a Caixa-branded point-of-sale terminal, "maquininhas Caixa Pagamentos."

In a world moving faster than ever before, Fiserv helps clients deliver solutions in step with the way people live and work today – financial services at the speed of life.
