Fiserv recognized for second consecutive year for omnichannel capabilities provided by Carat and Clover systems

BROOKFIELD, Wis.--(BUSINESS WIRE)--May 4, 2022-- [The Strawhecker Group \(TSG\)](#), a globally recognized analytics, intelligence, and consulting firm in the payments industry, has named [Fiserv, Inc.](#) (NASDAQ: FISV), a leading global provider of payments and financial services technology solutions, *Omnichannel Provider of the Year* for the second year in a row.

This award is part of TSG's Payments Excellence Awards, which recognize organizations in the industry that embody the vision, dedication, and demonstration of excellence in the payments world. "Consumers want to be empowered to shop their way seamlessly, whether in-person or digitally," said Mike Strawhecker, President of TSG. "Fiserv is at the forefront of making this possible for merchants."

"Our continued investment in omnichannel innovation goes beyond individual point solutions to provide merchants with commerce operating systems," said Suzan Kereere, head of Global Business Solutions at Fiserv. "Through Carat and Clover we're simplifying how businesses globally enable commerce, powering more integrated experiences, and connecting businesses to an open ecosystem of value-added solutions."
